SUBJECT - Additional Establishment required
for the Drawing Branch of the
Trust Board Office

I have the honour to state that according to the present sanctioned strength, the Drawing Branch of the Trust Board Section consists one Head Draftsman, one Draftsman, one Assistant Draftsman and three Tracers. The work in the Drawing Branch has, of late, increased enormously. With the sanction of the several schemes submitted to Government and other improvement works under the contemplation of the Board, the work in the Drawing Section would be getting heavier. It is therefore proposed to entertain two more Assistant Draftsmen on a pay of Rs 40-5/2-55 each and a Graduate Surveyor on Rs 60-5-125-10-175/- p m as a

- 2 -

temporary measure exclusively for the Drawing Branch
to cope with the heavy work

2 This question was placed before the
Board at its meeting held on 17-1-47 and after
considering the proposals, it was resolved

"That the proposals for the entertain-
ment of a Graduate Surveyor and two Assistant
Draftsmen be approved and recommended to
Government for sanction."

I request that in these circumstances
sanction of Government may kindly be obtained to
the resolution of the Board
